# Security Accreditation Scheme – Scope of Certification

To be viewed in conjunction with Security Accreditation Scheme Certificate No: GD-MH-0311

---

**Production Site(s):** Giesecke & Devrient GmbH, Munich,  
Germany

---

Following audit of this GSM smartcard production site against the requirements of v3.2.4 of the GSM Association Security Accreditation Scheme (SAS) standard the auditors are pleased to recommend certification with the following scope:

---

**Embedding of GSM smartcards:** *Not carried out at this site*

**Personalisation of GSM smartcards:** *Within audit scope*

**Generation of data for GSM personalisation** *Within audit scope*

**Personalisation of GSM PIN mailers:** *Within audit scope*

**Value-added fulfilment of GSM smartcards:** *Within audit scope*

---

**Outsourcing:** *No activities are outsourced for this site*

These activities were outsourced and not subject to review by the auditors

**Exclusions:** *None defined*

These activities were excluded from the scope of the audit

---

The auditors were provided with appropriate evidence that the processes and controls at the time of certification were consistent with those required by the SAS standard.
